

Our Men's Furnishings

(Or as one of our department heads put it, MEN'S SMALL NEEDS).

Department

—Is prevalent and redolent with an air of good taste. The flowers in glass bowls which grace the showcases are rivalled by the Silken Blossoms woven into our latest Neckwear. The colors of our Business Shirts are pleasing and artistic. The English and American Underclothing of serviceable and fine textures lends a substantial air to the whole, to which the dainty things intended for men's wear adapt themselves with good grace. Magnificent value is coupled with modest price in such a way as must give our store an additional prestige as a men's wear shopping center.

CABINET MEETS

Proposition to Change Harbor Line Matters.

New Collector at Hilo—Spirit License at Waialakea, Hilo—Reform School Site.

The Executive Council met yesterday morning. There were present President Dole and Ministers Young and Lansing. The minutes of the meeting held November 22nd were read and approved. Minister Young brought up the matter of an application of Captain Robert Andrews for a retail spirit license at Waialakea, Hilo, Hawaii. Action was deferred until the location could be ascertained.

Messrs. B. F. Dillingham and F. M. Hatch attended the meeting and presented a proposition on behalf of the O. R. & L. Co. of even date, in regard to a desired change in the harbor line. The matter was gone into at some length to be brought up again.

The Council approved of the appointment by the Minister of Finance, of Mr. F. L. Winter, as collector of the Port of Hilo.

It was also voted that the Executive Council authorize the Minister of Finance to pay the amount of \$235.05 for the pay roll of the "Pay of Assistant Guards All Ports," said appropriation having overrun its pro rata for the month of October, 1899.

Unfinished business in the Department of the Interior went over. Adjourned to meet in the afternoon at 2:30 o'clock.

AFTERNOON SESSION.

At the afternoon session all the Cabinet were present except Attorney General H. E. Cooper.

There was held a general discussion of the proposition submitted in the morning to change the harbor line, but nothing of a definite nature was done as the matter will have to be ultimately referred to the authorities at Washington, D. C., for action.

Minister Mott-Smith brought up the matter of the new Reform School site and mentioned the location at Waialeale, Koolauloa, Oahu, as available. It was recommended that Minister Mott-Smith should personally visit the place and report.

Minister Young brought up the matter of unfinished business for the Interior Department which was disposed of and the meeting adjourned.

A Spelling Contest.

The Triangle Literary Club held its regular Monday evening meeting at the Y. M. C. A. last night. A paper upon Physical Development was read by Mr. Coates, followed by Mr. Axtell's paper upon President McKinley. The spelling match was an interesting feature of the entertainment, in which all the members took part, resulting in a victory for John Dias, the words being selected from last Saturday's Advertiser. A second spelling contest by opposing teams gave Mr. W. H. Soper the winning side. Mr. Soper was also elected a member of the club. At the next meeting, Monday, Dec. 4th, Mr. F. J. Cross will address the members upon the subject of Wireless Telegraphy which he will accompany with illustrations of the new method of word transmission.
